

RESPIRE SERVICES

Serene Hands Homecare provides Respite Services to individuals in their own homes and communities, who need assistance caring for themselves as a result of old age, sickness, disability, and/or other inflections. All respite care services are designed to provide clients with a safe and comfortable setting that meets their individual needs while they are away from their primary caregiver. While the location and level of carer training will vary based on the type of respite care you choose, most respite care options provide some or all of the following services:

- 1. Companionship**
- 2. Assistance with Daily Living (bathing, dressing, feeding)**
- 3. Grocery Shopping**
- 4. Recreational Activities (within physical limitations and abilities)**
- 5. Cooking**
- 6. All Personal Care Services will be offered. (Refer to Personal Care Services)**

Respite services are short-term care services provided due to the absence or need for relief of the family member(s) or primary caregiver
